Governors Declaration of interest 2026-2027

From 1st September 2015, governing bodies will be under a duty to publish on their website their register of interests. This register should set out:

- The relevant business interests of governors*
- Details of any other educational establishments they govern:
- Any relationships between governors and members of the school staff including spouses, partners and relative.

*Having a financial, or other, interest in an organization which could feasibly be able to supply goods/services to the school e.g.

- Building contractors

- Transport contractors

Governors have a responsibility to avoid any conflict between their business and personal interests and the interests of the school. This is essential for effective and accountable financial management of the school.
