

Year 3 Autumn Newsletter

General Reminders:

PE

The children have two PE lessons each week on Thursday and Friday. All children need shorts, white t-shirt, pumps or trainers and jogging bottoms/sweatshirts for the winter weather. Please ensure all items of clothing are clearly named.

Homework

The children will have a variety of options for homework linked to their current topic. The activities are varied in difficulty and each represent a number of chillis, the children will need to collect 8 chillis per half term. There will be weekly spelling and maths tests so please ensure your children practice their times tables.

Snack

We also have a healthy eating tuck shop where the children can purchase items for 20p each morning break time.

In your classroom this year will be:

Miss Exley – Class Teacher
Mrs Asante - LSA

This term our topic will be “Changes in Britain from the Stone Age to the Iron Age?”

Welcome Back!

I hope you are looking forward to our exciting new school year.

The children have a fabulous topic all about the Stone Age. They will learn about the early life of mankind and study how the world has changed. They will also look at ancient discoveries that still impact on our lives today.

Maths will cover Place value, addition and subtraction, length and perimeter and multiplication and division. The children will have opportunities to undertake in depth investigations to deepen their learning.

Science will begin with Fossils and rocks and soils

Year 3 can be a big change for the children as they move into the juniors but I know they will be just fine.

There are a few changes – dinnertime is 15 minutes later and there is no afternoon break. However, for the autumn term I will give the children time to have some fresh air in the afternoon.

This September the children will be developing their understanding of our new Acorn Values.

A – Aspirations

C – Curiosity

O – Opportunity

R – Respect and Resilience

N – Nature

The children will use these skills to deepen their own learning.

I am really looking forward to this new term and getting to know you all.

If you have any questions, please don't hesitate to contact me

Many thanks,

Miss Exley

This will be a very exciting term!
