Write your first name. Use a capital letter for the beginning. Can you also write your surname accurately too? 	Can you read all of set 1 and special friends sounds yet? Challenge yourself to see what sounds you can recognise very quickly. 	What 2D & 3D shapes can you find at home? Look in cupboards at tins and boxes. Can you sort them into heavy and light? Find the heaviest/lightest. 
Can you write the letters of the alphabet? Can you write the capital letters to match? Use the sheet to remind you if needed. 	What 'red words' can you read speedily? Keep practising. Try to get speedier each time you read them. Then – try to write them using the correct spellings. 	How far can you accurately count to? Can you write the numbers? Can you count in 10's, 5's, 2's? Can you write those number patterns? 
Draw a picture of your favourite story character. Why do you select them? Write a caption/sentence about it. 	Read your book to an adult every day. Can you talk about the characters and link the story to other stories you have read? 	Can you find doubles? 1-7? Can you add 2 groups of things and find the total? 
EAD Music Interactive early years music. Body percussion – everybody do this just like me. Can you do all for when singing if you're happy and you know it? (break the lesson into approximately 5 minute sessions) https://www.youtube.com/watch?v=BlxEmKC3yyM	EAD Art Look at your favourite toy. What colours can you see? How tall is it? What parts are bigger than others? Carefully observe your toy and begin to draw it using a pencil first. Once you are happy – colour it using paints or pencil colours.	UW History Find out about the roles and occupations your parents and grandparents have. How are they similar / different? Have they changed over time? Has technology changed their job? What tools do they use?
