

### Daily Reading

Please read your child's school book with them as much as possible. Ideally once every day.

### Numbots

Each child has a unique log in for Numbots in their Homework book. You can work through the story mode at your own pace and weekly activities will be set.

### Curriculum Grid

Each week choose an activity from the grid below to complete. Please share your learning in class or on Dojo.

<p>Find and write number sentences for as many additions to make the number 20 as you can.</p>	<p>Rewrite your favourite story in your own way. You could change the characters, setting or problem for example, Goldilocks and the 3 Bears could become Goldilocks and the 3 aliens.</p>	<p>Practise handwriting using the using the QR codes that were sent home.</p>
<p>Find pictures online of shops in the past. Write sentences to tell me what you can see in the picture that is different to the shops you are used to visiting.</p>	<p>Create a colour spectrum using 5 or 6 crayons starting with the darkest colour moving to the lightest.</p>	<p>Listen to your favourite song. Identify the high and low sounds.</p>
<p>Find out and draw pictures of the people in our community who help us stay healthy.</p>	<p>Choose 5 objects from around your house, draw a picture of them and write labels to tell me what they are made from.</p>	<p>Find out the names of the different places of worship for Christians, Muslims and Jewish people. Can you find pictures of each and notice things that are the same and different.</p>
