

Year 4 Summer Newsletter

General Reminders:

Homework

The children will be set weekly homework linked to their learning in class.

TTRockstars

TTRockstars is recommended to be played for at least 10 minutes everyday. The children will have a Multiplication Tables Check in June 2026 <https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>)

Reading

Children should read at home each day and bring their reading book and record into school every day so they can read with a teacher.

Snacks and Waterbottles

Children are encouraged to bring a healthy snack in from home such as fruit. We also have a healthy eating tuck shop where the children can purchase items for 20p each morning. Please send a labelled water bottle with your child to school everyday.

PE

Swimming- Monday
PE lesson- Friday

We care, we learn, we grow

This term our topic will be 'How is the region of the North West the same or different to the Naples Bay region of Italy?'

Welcome Back!

I hope you had a lovely half-term and those celebrating had a lovely Easter!

The children have a fabulous topic comparing a region of the North West to the Naples Bay region of Italy. They will learn about the Industrial Revolution, the impact of mills on our local community, Samuel Greg, explore different places on various types of maps, earthquakes and volcanoes.

In Maths we will cover fractions, decimals, money, time and shape. The children will have opportunities to undertake in depth investigations to deepen their learning.

In Science, we will learn about States of Matter. We will be carrying out lots of investigations exploring the different states of matter and learning about the water cycle.

In your classroom this year will be:

Mrs Kaushal- Class Teacher Mon-Wed
Mrs Parker- Class Teacher Thu-Fri
Miss Dwan- LSA
Mrs Spilman - LSA
Miss M'laine-LSA

We have exciting Art and DT topics that involve creating our own clay pot and structures. The children will learn the skills of modelling clay and working with different recycled materials.

In other subjects, we will learn about what it is like to be a Hindu in Britain today. The children will continue practicing their PE skills in different areas such as athletics, rounders and swimming as well as computer skills in Computer lessons.

I am really looking forward to this final term! If you have any queries, please do not hesitate to contact me via dojo. I am available during school hours and will do my best to answer them that day. If the dojos are sent after 4pm I may not reply until the following morning 😊

Many thanks,

Mrs Kaushal & Mrs Parker

This will be a very exciting final term in Year 4!
