## This term our topic will be “Early builders: The four Ancient Civilisations”

Welcome Back!

I hope you have all had a restful holiday and are ready for our final term together! It seems to have flown by!

The children have a fabulous topic this term looking at the four Ancient Civilisations and how that impacted on the world, including their influence on us today. We will then focus in on Ancient Egypt and another civilization of their choice to really investigate and understand their lives. .

Maths will cover fractions, shape, time, money and mass and capacity. The children will have opportunities to undertake in depth investigations to deepen their learning.

In science, we will learn about animals including humans and light

We have a great art topic that explores water colour artwork and in DT we will be creating a meal fit for a Pharaoh!

We will continue with our R.E and Spanish – focusing on foods and how to order.

We will be having PE lessons from a specialist teacher and we will also begin gardening which will be lots of fun!

Hopefully the weather should be warming up soon so the children might want to switch to summer uniforms as it gets hotter over the next few months.

Please send a reusable, labelled water bottle with your child to school everyday. It is really important to stay hydrated when learning.

I am really looking forward to our final term!

If you have any queries you can contact me via dojo. I am available during school hours and will do my best to answer them that day. If the dojos are sent after 4pm I may not reply until the following morning 😊

Many thanks,

Miss Exley

**This will be a very exciting term!**
