

Year 4 Autumn Newsletter

General Reminders:

PE

The children have two PE lessons each week on Tuesday and Thursday.

. All children need shorts, white t-shirt, pumps or trainers and jogging bottoms/sweatshirts for the winter weather. Please ensure all items of clothing are clearly named.

Homework

. The children will have a variety of options for homework linked to their current topic. The activities are varied in difficulty and each represent a number of chillis, the children will need to collect 8 chillis per half term. There will be weekly spelling and maths tests so please ensure your children practice their times tables.

Snack

We also have a healthy eating tuck shop where the children can purchase items for 20p each morning break time.

In your classroom this year will be:

Miss Exley – Class Teacher
Mr Neil- LSA
Miss Fitton - HLTA

This term our topic will be “Europe past and present: Are we still part of Europe?”

Welcome Back!

I hope you are looking forward to our exciting new school year.

The children have a fabulous topic all about Europe past and present with a focus on the Ancient Greeks.. They will learn about this early civilization and the great discoveries they made. They will also look at ancient discoveries that still impact on our lives today. As well that, they will compare modern Greece and study the countries of Europe.

Maths will cover Place value, addition and subtraction, area and multiplication and division. The children will have opportunities to undertake in depth investigations to deepen their learning.

Science will begin with electricity and Animals including humans

In Year 4 the children will have a times table check – this happens across the country and is a Government initiated test. There will be more details at our Meet the Teacher meeting. In the meantime, please practice the times tables with your child.

Our Acorn Values are key and support the children as they grow into global citizens and help them to be equipt to face our every changing world.

A – Aspirations

C –Curiosity

O – Opportunity

R –Respect and Resilience

N - Nature

The children will use these skills to deepen their own learning.

I am really looking forward to this new term and teaching the children again.

If you have any questions, please don't hesitate to contact me

Many thanks,

Miss Exley

This will be a very exciting term!
