

Early Years Patter

	Start at the yellow dot. Curl left, round and up and across to the top. Curl left, round and up and across to the top. Repeat.
	Start at the yellow dot. Go straight down then up and across to the top. Straight down then up and across to halfway. Go straight down then up and across to the top. Straight down then up and across halfway. Repeat.
	Start at the yellow dot. Go straight down, round and up, then straight down, round and up. Repeat.
	Start at the yellow dot. Go diagonally up from left to right. Then diagonally down from left to right. Repeat.
	Start at the yellow dot. Straight down, back up, arch right over and down to the line. Then back up, arch right over and down to the line. Repeat.
	Start at the yellow dot. Straight down, back up, arch right over and down halfway. Then back up, arch right over and down to the line. Repeat.
	Start at the yellow dot. Curl left around in circle and join then out and across to the top of the next shape. Curl left around in circle and join. Repeat.
	Start at the yellow dot. Go straight down and stop. Lift your pencil. Start at the yellow dot. Go straight down and stop. Lift your pencil. Repeat.

Lower Case Letter Formation Patter

a	Start at the yellow dot. Curl left, round, straight up to join, back down and flick.
b	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom.
c	Start at the yellow dot. Curl left, round and stop.
d	Start at the yellow dot. Curl left, round, straight up high, back down and flick.
e	Start at the yellow dot. Go right across, curl back up left, round and stop.
f	Start at the yellow dot. Curl left, straight down (below the line), hook left and stop. Next cross from left to right near the top.
g	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left.
h	Start at the yellow dot. Go straight down, back up halfway, arch right over, down and flick.
i	Start at the yellow dot. Go straight down and flick. Dot at the top.
j	Start at the yellow dot. Go straight down (below the line), hook left and stop. Dot at the top.

k	Start at the yellow dot. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick.
l	Start at the yellow dot. Straight down and flick.
m	Start at the yellow dot. Straight down, back up, arch right over, down, back up again, arch right over, down and flick.
n	Start at the yellow dot. Straight down, back up, arch right over, down and flick.
o	Start at the yellow dot. Curl left around in circle and join.
p	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle.
q	Start at the yellow dot. Curl left, round, straight up to join, back down (below the line) and flick right up diagonally.
r	Start at the yellow dot. Go straight down, back up, over and stop.
s	Start at the yellow dot. Like a snake curl left and round, then curl down and back again.
t	Start at the yellow dot. Go straight down and hook to the right. Next cross from left to right near the top.
u	Start at the yellow dot. Go straight down, round, straight up, down and flick.
v	Start at the yellow dot. Go diagonally down and diagonally up.
w	Start at the yellow dot. Go diagonally down, up, down and up.
x	Start at the yellow dot. Go diagonally down from left to right. Then from the bottom left, draw a straight line diagonally, right to left, crossing the first line through the middle.
y	Start at the yellow dot. Go straight down, round, straight up, then straight back down (below the line) hook left and stop.
z	Start at the yellow dot. Go straight right out, down diagonally left then straight right out again.

Capital Letter Formation Patter

A	Start at the yellow dot. Go diagonally down from right to left. Back from the top go diagonally down from left to right. Draw a straight line from left to right across the middle.
B	Start at the yellow dot. Go straight down. From the top loop right out and join at the middle, loop right out again and join at the bottom.
C	Start at the yellow dot. Curl left, round and stop.
D	Start at the yellow dot. Go straight down. From the top, loop right out and join at the bottom.
E	Start at the yellow dot. Go straight down. From the top, straight out and stop. From the bottom go straight out and stop. From the middle go straight out and stop.
F	Start at the yellow dot. Go straight down. From the stop go straight out and stop. From the middle go straight out and stop.
G	Start at the yellow dot. Curl left, round, straight up and stop. Above this stop point draw a short line across from left to right.
H	Start at the yellow dot. Go straight down. Start another parallel line. Go straight down. Draw a line from left to right across from the middle of the first line to the second.
I	Start at the yellow dot. Go straight down. Draw a short line across the top from left to right. Draw a short line across the bottom from left to right.
J	Start at the yellow dot. Go straight down, hook left and stop. Draw a short line across the top from left to right.
K	Start at the yellow dot. Go straight down. From the middle kick up diagonally right. Then from the middle kick down diagonally right.
L	Start at the yellow dot. Go straight down then straight right out and stop.
M	Start at the yellow dot. Go straight down. From the top go down, diagonally right and stop half way. Then go up diagonally right and then straight down to the bottom.
N	Start at the yellow dot. Go straight down. From the top go down, diagonally right down to the bottom then straight back up to the top.
O	Start at the yellow dot. Curl left around in a circle and join.
P	Start at the yellow dot. From the top curl right round and join at the middle.
Q	Start at the yellow dot. Curl left around in a circle and join. From left to right draw a short diagonal line across the bottom right part of the circle.
R	Start at the yellow dot. Go straight down, up. From the top go round to the join at the middle, then go down diagonally right.

S	Start at the yellow dot. Like a snake curl left and round, then curl down and back again.
T	Start at the yellow dot. Go straight down. From left to right draw a line across the top.
U	Start at the yellow dot. Go straight down, round and straight up. Then go straight down to the bottom.
V	Start at the yellow dot. Go diagonally down and diagonally up.
W	Start at the yellow dot. Go diagonally down, up, down and up.
X	Start at the yellow dot. Go diagonally down from left to right. Then from the bottom left, draw a straight line diagonally, right to left, crossing the first line through the middle.
Y	Start at the yellow dot. Go diagonally down halfway. From the top right, go diagonally down left to meet the first line. Then go straight down to the bottom.
Z	Start at the yellow dot. Go straight right out, down diagonally left then straight right out again.

Number Formation Patter

0	Start at the yellow dot. Curl left around in a circle, curl right round and join at the top.
1	Start at the yellow dot. Go straight down and stop.
2	Start at the yellow dot. Curl right, go round then go diagonally left and down. Go straight across at the bottom.
3	Start at the yellow dot. Curl right, round and stop halfway. Then curl right, round and stop halfway.
4	Start at the yellow dot. Go diagonally left and down, then go right in a straight line. Start at the next yellow dot and go straight down, crossing the bottom line.
5	Start at the yellow dot. Go straight down to make a short line. Next curl right and round and stop halfway. Then, from the next yellow dot, go straight to the right.
6	Start at the yellow dot. Curl slightly left and down. Then curl right round and join at the middle.
7	Start at the yellow dot. Go right, in a straight line, then go diagonally left and down.
8	Start at the yellow dot. Like a snake curl left and round. Then then curl right and go through the middle of the first line. Then curl back around to the left and join at the top.
9	Start at the yellow dot. Curl left, around in circle and join. Go straight up slightly, then go straight down.

Joins Formation Patter

Y2 A1	
ni	Start at the yellow dot. Straight down, back up, arch right over and down, then up and across to the next letter. Straight up and down and flick. Dot at the top of the second letter.
uz	Start at the yellow dot. Go straight down, round, straight up and down, then up and across to the top of the next letter. Go straight right out, down diagonally left then straight right out again.
li	Start at the yellow dot. Straight down then up and across to the next letter. Straight up and down and flick. Dot at the top of the second letter.
ai	Start at the yellow dot. Curl left, round, straight up to join, back down, then up and across to the next letter. Straight up and down and flick. Dot at the top of the second letter.
ha	Start at the yellow dot. Go straight down, back up halfway, arch right over, down then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
do	Start at the yellow dot. Curl left, round, straight up high, back down, then up and across to the top of the next letter. Then curl left, on the same line, around in a circle and join.
es	Start at the yellow dot. Go right across, curl back up left, round, then up and across to the top of the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again.
co	Start at the yellow dot. Curl left, round, then up and across to the top of the next letter. Then curl left, on the same line, around in circle and join.
da	Start at the yellow dot. Curl left, round, straight up high, back down, then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
lo	Start at the yellow dot. Straight down, then up and across to the top of the next letter. Then curl left, on the same line, in a circle and join.
ts	Start at the yellow dot. Go straight down and hook right, then up and across to the top of the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again. Cross the first letter, from left to right, near the top.
is	Start at the yellow dot. Go straight down, up and across to the top of the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again. Dot at the top of the first letter.
nd	Start at the yellow dot. Straight down, back up, arch right over and down, then up and across to the top of the next letter. Curl left on the same line, round, straight up high, back down and flick.
nt	Start at the yellow dot. Straight down, back up, arch right over and down, then up and across to the top of the next letter. Straight down and hook to the right. Cross the last letter, left to right near the top.
ct	Start at the yellow dot. Curl left and round, then then up and across to next letter. Go straight down and hook to the right. Cross the last letter, from left to right, near the top.
cl	Start at the yellow dot. Curl left and round, then up and across to the next letter. Go straight down and flick.
ck	Start at the yellow dot. Curl left and round, then up and across to the next letter. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick.
at	Start at the yellow dot. Curl left and round, straight up to join, back down and round, then up and across to the next letter. Go straight down and hook to the right. Next cross the last letter, from left to right, near the top.
eb	Start at the yellow dot. Go right across, curl back up left, round and stop, then up and across to the next letter. Go straight down, back up halfway, curl right round and join at the bottom.
ul	Start at the yellow dot. Go straight down, round, straight up and down, then up and across to the next letter. Go straight down and flick.
mb	Start at the yellow dot. Straight down, back up, arch right over, down, back up again, arch right over, down, then then up and across to the next letter. Go straight down, back up halfway, curl right round and join at the bottom.
Y2 A2	
on	Start at the yellow dot. Curl left around in circle and join then straight across to the top of the next letter. Straight down, back up, arch right over, down and flick.

ow	Start at the yellow dot. Curl left around in circle and join then then straight across to the top of the next letter. Go diagonally down, up, down and up.
oi	Start at the yellow dot. Curl left around in circle and join then straight across to the top of the next letter. Go straight down and flick. Dot at the top.
op	Start at the yellow dot. Curl left around in circle and join then out and across to the top of the next letter. Go straight down (below the line) back up to the top, curl right round and join at the middle.
wa	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the top of the next letter. Curl left, round, straight up to join, back down and flick.
vo	Start at the yellow dot. Go diagonally down and diagonally up then out and across to the top of the next letter. Curl left around in circle and join.
ro	Start at the yellow dot. Go straight down, back up, over and stop then out and across to the top of the next letter. Curl left around in circle and join.
ws	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the top of the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again.
oo	Start at the yellow dot. Curl left around in circle and join then out and across to the top of the next letter. Curl left around in circle and join.
ra	Start at the yellow dot. Go straight down, back up, over and stop then out and across to the top of the next letter. Curl left, round, straight up to join, back down and flick.
oe	Start at the yellow dot. Curl left around in circle and join then out and across to the next letter. Curl back up left, round and stop.
wo	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the top of the next letter. Curl left around in circle and join.
ok	Start at the yellow dot. Curl left around in circle and join, then out and across to the middle of the next letter. Go up and straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick.
ol	Start at the yellow dot. Curl left around in circle and join, then out and across to the middle of the next letter. Go up and straight down and flick.
rl	Start at the yellow dot. Go straight down, back up and over then out and across to the middle of the next letter. Go up and straight down and flick.
wl	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the next letter. Go up and straight down and flick.
ot	Start at the yellow dot. Curl left around in circle and join then out and across to the next letter. Go up and straight down and hook to the right. Cross the second letter from left to right, near the top.
rk	Start at the yellow dot. Go straight down, back up and over then out and across to the middle of the next letter. Go up and straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick.
rb	Start at the yellow dot. Go straight down, back up and over then out and across to the middle of the next letter. Go up and straight down, back up halfway, curl right round and join at the bottom.
wh	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the middle of the next letter. Go up and straight down, back up halfway, arch right over, down and flick.
Y2 Sp 1	
tr	Start at the yellow dot. Go straight down and hook to the right then up and across to the next letter. Go straight down, back up, over and stop.
dr	Start at the yellow dot. Curl left, round, straight up high, back down, then up and across to the next letter. Go straight down, back up, over and stop.
in	Start at the yellow dot. Go straight down then up and across to the next letter. Straight down, back up, arch right over, down and flick. Dot at the top of the first letter.
im	Start at the yellow dot. Go straight down then up and across to the next letter. Straight down, back up, arch right over, down, back up again, arch right over, down and flick. Dot at the top of the first letter.
ea	Start at the yellow dot. Go right across, curl back up left, round, then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
ie	Start at the yellow dot. Go straight down then up and across to the next letter. Curl back up left, round and stop. Dot at the top of the first letter.

no	Start at the yellow dot. Straight down, back up, arch right over, down then up and across to the top of the next letter. Then curl left, on the same line, around in a circle and join.
to	Start at the yellow dot. Go straight down and then go up and across to the top of the next letter. Then curl left, on the same line, around in a circle and join. Cross the first letter from left to right, near the top.
ag	Start at the yellow dot. Curl left, round, straight up to join, back down then go up and across to the top of the next letter. Curl left on the same line, round and straight up to join, back down (below the line) and hook left.
ng	Start at the yellow dot. Straight down, back up, arch right over, down, then up and across and curl to the top of the next letter. Curl left on the same line, round and straight up to join, back down (below the line) and hook left.
ke	Start at the yellow dot. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick. Then up and across to the next letter. Curl back up left, round and stop.
mo	Start at the yellow dot. Straight down, back up, arch right over, down, back up again, arch right over, down, then up and across to the top of the next letter. Then curl left on the same line, around in circle and join.
ik	Start at the yellow dot. Go straight down then up and across to the next letter. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick. Dot at the top of the first letter.
ch	Start at the yellow dot. Curl left, round, then up and across to the next letter. Go straight down, back up halfway, arch right over, down and flick.
al	Start at the yellow dot. Curl left, round, straight up to join, back down, then up and across to the next letter. Straight down and flick.
il	Start at the yellow dot. Go straight down then up and across to the next letter. Straight down and flick. Dot at the top of the first letter.
Y2 Sp2	
ri	Start at the yellow dot. Go straight down, back up, over then straight across to the top of the next letter. Go straight down and flick. Dot at the top.
or	Start at the yellow dot. Curl left around in circle and join then straight across to the next letter. Go straight down, back up, over and stop.
ge	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then go straight across to the next letter. Curl back up left, round and stop.
oy	Start at the yellow dot. Curl left around in circle and join then straight across to the next letter. Go straight down, round, straight up, then straight back down (below the line) hook left and stop.
oe	Start at the yellow dot. Curl left around in circle and join then go out and across to the next letter. Curl back up left, round and stop.
we	Start at the yellow dot. Go diagonally down, up, down and up then go out and across to the next letter. Curl back up left, round and stop.
rc	Start at the yellow dot. Go straight down, back up, over, then out and across to the next letter. Then curl left, back on the same line, round and stop.
re	Start at the yellow dot. Go straight down, back up, over then go out and across to the next letter, curl back up left, round and stop.
wo	Start at the yellow dot. Go diagonally down, up, down and up then out and across to the next letter. Curl left around in circle and join.
ve	Start at the yellow dot. Go diagonally down and diagonally up then out and across to the next letter. Curl back up left, round and stop.
os	Start at the yellow dot. Curl left around in circle and join then out and across to the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again.
od	Start at the yellow dot. Curl left around in circle and join, then out and across to the next letter. Curl left on the same line, round, straight up high, back down and flick.
ol	Start at the yellow dot. Curl left around in circle and join, then out and across to the next letter. Go up and straight down and flick.

rl	Start at the yellow dot. Go straight down, back up and over, then across to the next letter. Go up and straight down and flick.
ot	Start at the yellow dot. Curl left around in circle and join then out and across to the next letter. Go up and straight down and hook to the right. Next cross the second from left to right, near the top.
ok	Start at the yellow dot. Curl left around in circle and join then out and across to the next letter. Go up and straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick.
Y3 A1	
bi	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom, then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
bu	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom, then up and across to the next letter. Go straight down, round, straight up, down and flick.
pp	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle then up and across to the next letter. Go straight down (below the line) back up to the top, curl right round and join at the middle.
py	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle, then up and across to the next letter. Go straight down, round, straight up, then straight back down (below the line) hook left and stop.
bb	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the next letter. Go straight down, back up halfway, curl right round and join at the bottom.
st	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Go straight down and hook to the right. Cross the last letter, from left to right near the top.
sl	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Straight down and flick.
pl	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle, then up and across to the next letter. Straight down and flick.
so	Start at the yellow dot. Like a snake curl left and round, then curl down and back again, then up and across to the top of the next letter. Then curl left on the same line, around in circle and join.
ss	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the top of the next letter. Then, like a snake, curl left, on the same line, then round, curl down and back again.
sc	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the top of the next letter. Then curl left on the same line, round and stop.
se	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Curl back up left, round and stop.
zo	Start at the yellow dot. Go straight right out, down diagonally left then straight right out again, then up and across to the next letter. Then curl left on the same line around in circle and join.
xc	Start at the yellow dot. Go diagonally down from left to right. Now cross it diagonally from right to left then up and across to the next letter. Then curl left on the same line, round and stop.
xe	Start at the yellow dot. Go diagonally down from left to right. Now cross it diagonally from right to left then up and across to the next letter. Curl back up left, round and stop.
br	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the next letter. Go straight down, back up, over and stop.
se	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Curl back up left, round and stop.
si	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
ba	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.

Y3 A2	
gr	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Go straight down, back up, over and stop.
gi	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) hook left, then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
ji	Start at the yellow dot. Go straight down (below the line), hook left, then up and across to the next letter. Go straight down and flick. Dot at the top of the first and second letter.
ju	Start at the yellow dot. Go straight down (below the line), hook left, then up and across to the next letter. Go straight down, round, straight up, down and flick. Dot at the top of the first letter
jo	Start at the yellow dot. Go straight down (below the line), hook left, then up and across to the top of the next letter. Then curl left on the same line, around in circle and join. Dot at the top of the first letter.
gg	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line), hook left then up and across to the top of the next letter. Then curl left on the same line, round and straight up to join, back down (below the line) and hook left.
ja	Start at the yellow dot. Go straight down (below the line), hook left then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick. Dot at the top of the first letter.
ya	Start at the yellow dot. Go straight down, round, straight up, then straight back down (below the line), hook left then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
ge	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Curl back up left, round and stop.
jo	Start at the yellow dot. Go straight down (below the line), hook left then up and across to the top of the next letter. Then curl left on the same line, around in circle and join. Dot at the top of the first letter.
yo	Start at the yellow dot. Go straight down, round, straight up, then straight back down (below the line), hook left then up and across to the top of the next letter. Then curl left on the same line, around in circle and join.
ye	Start at the yellow dot. Go straight down, round, straight up, then straight back down (below the line) hook left, then up and across to the next letter. Curl back up left, round and stop.
gl	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Straight down and flick.
gh	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Go straight down, back up halfway, arch right over, down and flick.
gt	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Straight down and hook to the right. Cross the last letter from left to right, near the top.
Y3 Sp1	
fi	Start at the yellow dot. Curl left, straight down (below the line), hook left, then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
fu	Start at the yellow dot. Curl left, straight down (below the line), hook left, then up and across to the next letter. Go straight down, round, straight up, down and flick.
fa	Start at the yellow dot. Curl left, straight down (below the line), hook left, then up and across to the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
fl	Start at the yellow dot. Curl left, straight down (below the line), hook left, then up and across to the next letter. Straight down and flick.
kl	Start at the yellow dot. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick. Then up and across to the next letter. Straight down and flick.
ki	Start at the yellow dot. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick. Then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
ke	Start at the yellow dot. Go straight down, back up halfway, loop to the right, join back at the middle, kick diagonally down and flick. Then up and across to the next letter. Curl back up left, round and stop.

br	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the next letter. Go straight down, back up, over and stop.
pi	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle, then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
si	Start at the yellow dot. Like a snake curl left and round, then curl down and back again then up and across to the next letter. Go straight down and flick. Dot at the top of the second letter.
bo	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the next letter. Then curl left on the same line, around in circle and join.
ba	Start at the yellow dot. Go straight down, back up halfway, curl right round and join at the bottom then up and across to the top of the next letter. Then curl left, on the same line, round, straight up to join, back down and flick.
pl	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle, then up and across to the next letter. Straight down and flick.
pr	Start at the yellow dot. Go straight down (below the line) back up to the top, curl right round and join at the middle, then up and across to the next letter. Go straight down, back up, over and stop.
Y3 Sp2	
gr	Start at the yellow dot. Curl left, round and straight up to join, back down (below the line) and hook left, then up and across to the next letter. Go straight down, back up, over and stop.
