

We're Going Back To School

Welcome to Year 4

A warm welcome to Year 4, I hope you had a lovely summer holiday.

In Year 4 the teaching assistants are Mrs Broadbelt and Mrs Ennis.

In English this term, we will be looking at the Loch Ness Monster and creating non chronological reports and stories based on this.

We will investigate the Lancashire Cotton Industry and how it was linked to the slave trade.

Our R.E. topic will be Hinduism and in science we will be investigating and finding out about electricity. Our Art work is based on the work created by Haf Weighton and her

work with textiles.

The Americas is our Geography topic.

P.E. takes place on Wednesday and Thursdays. Please ensure that your child comes to school in their P.E. kit, that long hair is tied back and that earrings are either removed or covered with plasters.

In PSHE we will investigate positive friendships including those on line, responding to hurtful behaviour and respecting differences and similarities.

Home readers will be changed on Wednesdays. Please make sure that you remember to sign their reading record book so they are able to

change their books.

Guided reading sessions will take place within class. Please encourage your child to read as much as possible as this is really good for their understanding and fluency.

Homework will be set on Fridays and this needs to be completed and returned to school by Thursday of the following week.

And finally, at the end of Year 4 the children will participate in a times table test in school, set by the Government. I will send out more details about this nearer the time. Please encourage your child to practice their times tables.

On Wednesday 10th September, you are invited to come into school at 3.30pm and look round your child's learning environment. I look forward to seeing you then.

Kind regards Miss Holmes.
