AUTUMN TWO 2025

THIS HALF TERM'S LEARNING

Maths

This half term we will focus on the skills of the four rules of number. Once we have mastered these, we will use these to solve multi-step word problems. You can help at home by helping your child to become fluent with multiplication tables and numbers bonds to 10, 100 and 1000.

English

Our learning will focus on stories with legends in particular the story of Gelert. We will study persuasion too.

You can help your child at home by ensuring they read daily in order to build fluency and stamina
