

Hello!  
SPRING

# Welcome back to Year 4

I hope you had a wonderful Christmas break and are ready to jump into our spring learning!

This half term we will be looking at issues and dilemmas in our English text *The Fib*, as well as persuasion.

In Maths we will be concentrating on multiplication, division, graphs and fractions.

Our R.E. topic will be learning about Sikhism.

In science we will be learning about States of Matter, solids liquids and gases.

We will explore the work of Kurt

Schwitters, his collages and the materials he used. Then we will create our own collages using food packaging.

In music the children are learning to play the key board.

P.E. will take place on Thursdays. Please ensure that your child comes to school in their P.E. kit, that long hair is tied back and that earrings are either removed or covered with plasters.

Swimming will be on Fridays and the children need to bring to school an appropriate swimming costume and a swimming hat if they have long hair. All jewellery

needs to be removed before hand.

Home readers will continue to be changed on Wednesday. Please make sure that you remember to sign their reading record book so they are able to change their books.

Homework will continue to be set on Fridays, via their homework books. This needs to be completed and returned to school by Thursday of the following week. If you have issues this please let me know.

Please encourage your child to read as much as possible as this is really good for their understanding and fluency.

Please collect clean food packaging boxes, wrappers, crisp packets etc for our collage art work later in the term.

Thankyou.
