### Coats and appropriate clothing for outdoors

In Year 1 we like to take our learning outside lots. This means we spend a lot of our day outside where the weather allows! Please ensure your child has a warm coat in school and a hat/gloves where necessary.

### Jumpers and uniform

Please ensure that all items of your child's uniform is labelled with their name.

### Water bottles

Please ensure your child has a named bottle of water in school each day.

### P.E

P.E days will continue to be on Tuesday and Wednesday. On these days your child will need to wear their P.E kit. Tuesday and Wednesday are the only days where trainers/pumps should be worn. On all other days your child must be wearing black school shoes. If your child wears earrings, please ensure these are removed for P.E days or send plasters if they are unable to be removed.

### Numbots and Mathletics

Passwords for Numbots can be found in the front of reading records. We are looking to start up certificates again for these in assembly times.

### Phonics

Children will be regrouped for phonics this week. If they remain in the same group this is ok, they may just need some additional practise to develop fluency within the colour they are currently working at. Please see class dojo for the QR codes to link to the sound videos as discussed at parents evening. This will really help consolidate the learning we have done in class.

**Earrings-** these must be plain, small studs rather than characters or large earrings.

If you have any of the Sue Hendra books at home we would love to share them in class. Equally if you have any other books about fruits or vegetables or supermarkets we would also love to read those in class!
