

Year 1 News

Spring 1

Mrs Hill, Mrs Pacey, Miss Rothwell, Mrs Wright, Mrs Hargreaves, Miss Stanton

Welcome to Year 1!

We hope you have had a wonderful Christmas and restful half term. Welcome back to another half term.

Thank you for your support last half term. This half term we welcome Miss Rothwell to our Year 1 team who will be working in our class on a Wednesday, Thursday and Friday morning.

Our Learning

In English we will be learning about traditional tales. If you have any of these at home which your child would like to share with the class, please feel free to send them in. Please share your favorite traditional tales at home too and discuss any patterns you notice in them.

In maths we will be learning about height and length. We will also be revisiting all our maths learning so far from Year 1 so far!

Our science unit this term is plants. We will explore the parts of a plant and plant our own seeds, observing them grow over time.

In topic lessons we will be leaning all about Andy Warhol and the pop artwork he created. We will be creating our own printing art work in the style of Warhol.

PSHE- we will be learning about being responsible.

In R.E we will be learning about Islam and focusing on the key question 'How might beliefs about creation affect the way people treat the world?'

In DT we will be creating a healthy smoothie selecting different fruits to put into it.

In computing we will be learning about information and data and how things can be grouped. We will also continue to work on internet safety and develop our understanding on how we can stay safe online.

Birthdays!

A huge happy birthday to the children who are turning 6 this half term:

TODAY
is the day to
learn something
NEW

Tuesday and Wednesday	P.E days- please come to school wearing P.E kit and remember to remove earrings or send in plasters to cover them.
-----------------------	--
