

Year 2 Home-learning On A Page Grid.

Please complete the non-negotiables and **at least** one other task by **Monday 25th March.**

NON-NEGOTIABLES

These **have to be** completed on a weekly basis.

- Daily reading
- At least 10 minutes on Numbots.
- At least 10 minutes on Times Table Rock Stars.
- A daily phonics video, the links which are sent to you at the start of every half term.

Maths: Times Tables.

Make flashcards with the calculation on one side and the answer on the other. Play games where you give the answer or the calculation. How many can your child win of you? Play at least 10 minutes every night.

Science:

Try growing your own herbs and vegetables that you could use in your cooking. Make a set of instructions of how to look after your plants.. What do they need to grow? Where will you keep them? How are you going to use them?

RE: Islam

Create a poster or a piece of art explaining the Five Pillars of Islam. What are they? How are they lived in daily life?

Geography: Research and create a poster for one of the highest mountains in the UK.

Ben Nevis, Scotland, Scafell Pike, England, Slieve Donard, Northern Ireland and Mount Snowdon, Wales. Visit the mountains virtually and locate on maps. What do their names mean? Which mountain range are they in?

DT: Practise you cutting, chopping and cooking skills.

Help with the cooking in your house. Pay special attention to the food you are eating. Be willing to try new foods and flavours and aim to eat at least 5 fruit and vegetables a day. We will be making vegetable soup in school. Find a recipe we could make.

DT: Where does our food come from?

When you go to the shops look at the packaging for fruit and vegetables. Where does it come from? Locate on a world map which food comes from where. Bring into school some of the plastic packaging from fruit and vegetables so we can see where they have come from.
