

## Year 4 Home-learning On A Page Grid – Summer 1

Please complete the weekly non-negotiables and **at least** one other task by **Monday 20<sup>th</sup> May**.  
**Celebration of learning will be on Thursday 23<sup>rd</sup> May**

### Weekly non-negotiables

These **have to be** completed on a weekly basis.

- Daily reading (at least 5 pages or more to be read per day)
- Times Table Rockstars. Children should complete their weekly studio and garage sessions.

### English – Runaways

This is a story about two young runaways who are taken in by Thomas Barnardo. Create a learning poster about Thomas Barnardo and why he is an important person.

### Science – Sound.

In science, Year 4 will be learning about how sound is made. The children should create their own musical instrument i.e. drum and explain how they can get different pitches and volumes using the instrument.

### History – Romans in Britain

Create your own learning poster about why the Romans invaded Britain and what evidence of Roman Britain exists today.

#### Why Did the Romans Invade Britain?

### Maths – Money and decimals

When shopping with your family, pick up an item and guess how much it costs. After your guess try and calculate how much change you would get from £5, £10 or £20.

### Art – Local artist – L.S. Lowry

Research the artist L.S. Lowry and what famous paintings he created. Draw a picture of your local area in the style of L.S. Lowry.

### RE- Pentecost

Create a poster explaining what the symbols of Pentecost are and what they mean?
