

## Year 4 Home-learning On A Page Grid.

Please complete the weekly non-negotiables and **at least** one other task by **Monday 20<sup>th</sup> October**

### Weekly non-negotiables

These **have to be** completed on a weekly basis.

- Daily reading (at least 5-10 minutes at home)
- Times Table Rockstars. Children should complete their weekly studio and garage sessions.

### English – Non-fiction text

Write a text in a magazine format using the features we learnt in class. The children can choose a topic they are interested in, research and format the information as a magazine.

### Science – Living things and their habitats

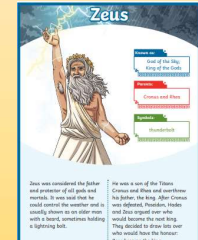

Choose one habitat from forest, desert or ocean. Create a model of a habitat using a shoebox, demonstrating your understanding of the living things that inhabit it.

### History/Art – Ancient Greece

Design a fact file on one of the Greek Gods. Include:

- What they were known as?
- What is the symbol?
- Information about who they were believed to be
- Drawings or pictures.

### Maths –

Create a game based on place value and/or numbers up to 10,000. This could be a card game, quiz game or a snakes and ladders styled game.

### PE –

Set a goal for the next 30 days for you to try and complete and create a 'diary' of you completing it. This could include any movements, steps or minutes for an activity.

### RE- Domestic Church

Create your family tree using photographs or drawings. You can finish the family tree we started in school, or create a new one.
