14th October 2026

RE: Black History Month

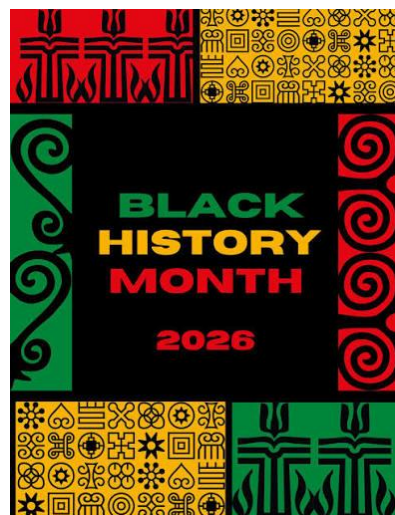

Dear Parents and Carers,

Throughout October and into November, we are celebrating **Black History Month** across Beaver Road Primary School.

This year's national theme is '**Honouring Our Communities**', which recognises the everyday individuals, local networks and often unsung figures whose hard work, care and dedication help to strengthen Black communities across the United Kingdom.

As part of our celebrations, children across school will be exploring the stories and contributions of Black individuals who have made a positive difference to their communities. Through stories, discussions, curriculum-linked lessons and creative activities, children will consider the importance of recognising and celebrating those whose contributions may sometimes go unnoticed.

We will also be encouraging children to think about their own communities and the people who make a difference in their lives, whether that is through education, healthcare, volunteering, sport or simply supporting others.

Throughout the month, year groups will be producing work inspired by their learning, which will contribute towards a whole-school '**Honouring Our Communities**' **exhibition**.

Our Art team is also coordinating a collaborative project across both school sites, with children creating individual pieces that will come together to form a larger display celebrating community, identity and belonging.

We would love families to continue these conversations at home by thinking about people who make a positive difference in their communities.

You might ask your child:

- Who is someone in our community who deserves to be celebrated?
- What do they do to help others?

Connect
Alliance
Trust

Excellence - Collaboration - Respect

- Why is it important that we recognise their contributions?

We look forward to celebrating the children's learning and sharing their work as Black History Month continues.

Yours sincerely,

Rihula Sameer
Deputy Headteacher

Sion Gordon
Diversity Lead
