Little Learners- Books We Love

Little Learners

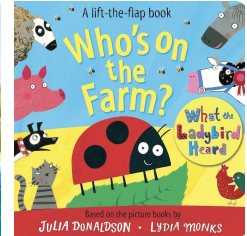

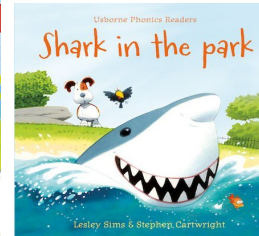

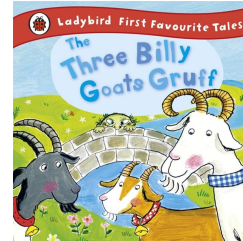

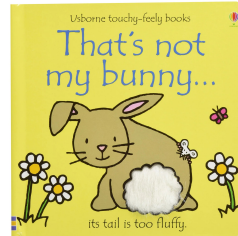

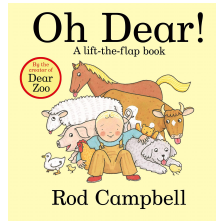

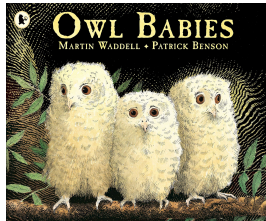

These books are carefully chosen to develop communication and language through repetition, predictable language, rhythm, rhyme, participation and shared enjoyment. They are revisited throughout the year alongside our nursery rhymes, songs and language-rich experiences.

Favourite First Stories

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

Why do some books appear more than once?

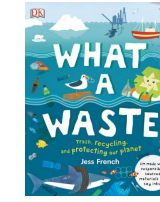

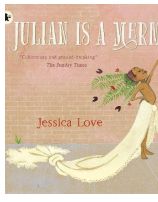

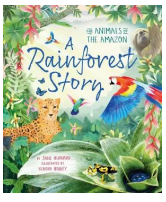

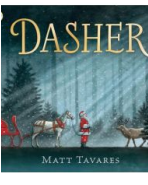

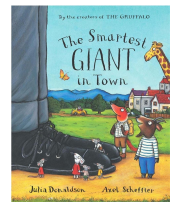

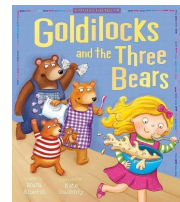

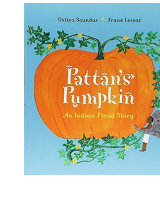

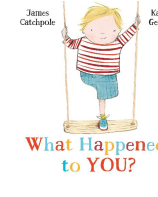

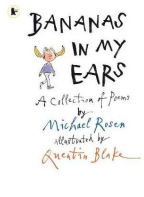

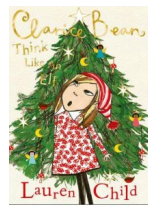

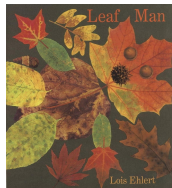

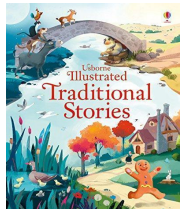

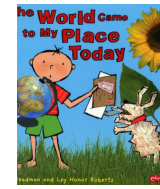

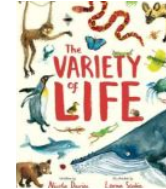

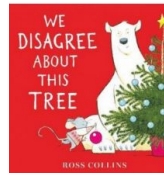

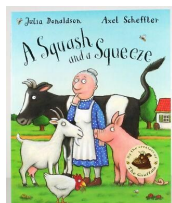

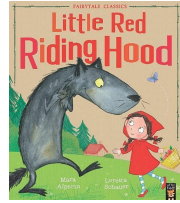

At Grove Street, we believe children develop a lifelong love of reading through hearing and revisiting high-quality texts many times. Some books therefore appear more than once across our EYFS reading journey. This is intentional. As children grow, they return to familiar stories with greater understanding, richer vocabulary and increased confidence. Revisiting well-loved books strengthens language development, deepens comprehension and helps stories become part of children's long-term memory. Whilst new books continue to broaden children's experiences, familiar favourites provide the secure foundation upon which successful readers are built.
