

## Year 2 Topic homework: Wriggle and Crawl

As well as the weekly maths and spelling challenges, plus weekly reading, it would be fantastic if your child could complete at least one of the following tasks suggested in the list this half term or think of your own creative ideas.

We will share all work during the final week of term on Thursday 28<sup>th</sup> March.

- Go on a minibeast safari with your family. Investigate your garden, local park or woodland to search for wriggly and crawly creatures.
- Use the Internet to research a weird and wonderful minibeast
- Watch 'Antz', 'A Bug's Life' or 'Epic' with your family. Make a comic strip that shows part of the film or write a review and include a star rating.
- Write a list of adjectives to describe what spiders look like and a list of verbs to describe what spiders do. Use the lists to write a story about a spidery adventure.
- Create a table to collect information about minibeasts, including their name, body parts, legs and wings. Identify whether or not each minibeast is an insect.
- Make a non-fiction book about minibeasts. Include a title, subheadings, images, captions, contents page, index and glossary.
- Make a minibeast game.
- Read James and the Giant Peach by Roald Dahl then write a description of the main characters.
- Write a letter to Miss Muffet and explain why she shouldn't be scared of spiders.
- Make a model of a minibeast that can hang in our topic area.
