

NURTURE-GROW-FLOURISH

Learning Log Homework - Autumn 2

Complete as many tasks as you can from the menu below.

When you complete any of these tasks please record them in your Learning Log or bring them into school to share with the class.

Local Area

1. Make a map of your local area – your street, shops, park etc. Create a key for your map.

Take a photo of your map and post it into your Dojo Portfolio.

2. Think of 3 similarities and 3 differences between where you live and the centre of Bury, Bolton or Manchester.

Photograph your work and post it into you Dojo Portfolio.

3. Write a postcard to a friend describing a weekend in the area where you live. Where did you go? What did you see?

If you have a real postcard you can send it in the post to school. Address it to a friend in Year 3. Otherwise take a photo of your writing and post it into you Dojo Portfolio.

4. Create a healthy picnic, put it in a backpack and explore a local beauty spot. Enjoy a picnic outdoors and send a picture or two to your Dojo Portfolio.

5. Paint a picture of the view from your window. This could be a day or night scene.

6. Create a poster to encourage/persuade people to look after the local area in some beneficial way. This could be laminated at school and put to real use. Take a photo and add it to your Dojo Portfolio.
