

# NURTURE-GROW-FLOURISH

## Learning Log Homework - Autumn 2

Complete as many tasks as you can from the menu below.  
When you complete any of these tasks please record them in your Learning Log or bring them into school to share with the class.

### Festivals/People Who Help Us

Practise getting dressed for a Bonfire Night event. Can you practise zipping up your coat and putting on scarves and gloves? For an extra challenge, get a grown up to time you to see how quickly you can get your clothes on! Add a photo with the time it took to class dojo!	Paint or draw a firework picture in your learning log. You could use crayons, pens, paint or even glitter and glue!	Learn your address and practise what you would say if you were in an emergency and had to call 999. Ask a grown up to video you saying where you live and add it to class dojo!
Practise writing your name! The more creative, the better. Can you trace your name? Can you put the letters of your name in the right order? Can you use different colours to write your name? Use your learning log to record your hard work!	Create an emergency vehicle! Use your imagination to create an emergency vehicle that might help us. You can draw it, create one using junk models or even build one outdoors using things you can find outside! Use your learning log or dojo to record your hard work.	Enjoy looking at Christmas cards in the shops or ones you have at home. Questions: Why do we write cards? What would you write in a card? Now make a Christmas Card for a friend. Don't forget to use lots of Christmas colours and then write your name inside. Take a picture for dojo!
