

English The Plague (playscript) The whale (narrative: mystery) and The river (poetry)

PSHCE Keeping Safe – This unit is all about identifying and managing risks. We will be discussing dangers, risks and hazards. We will also be talking about dares and how these could be dangerous.

History What happened at the time of The Great Plague? We will be looking at the causes of the plague and how the plague changed lives in London.

DT Mechanical systems – We will be designing, making and testing a slingshot car.

Year 4

Spring 1

Maths Length and perimeter – We will be using km and m and looking at equivalence. We will also be finding the perimeter of a range of shapes including rectilinear shapes.

Fractions – We will be looking at mixed and improper fractions and finding equivalent fractions. We will end this topic by adding and subtracting fractions.

Decimals – We will be looking at tenths and hundredths as decimals and fractions and placing these on number lines.

Science States of matter – In this unit we will be looking at the properties of solids. Liquids and gases and grouping materials.

RE

Christianity – In this unit we will be discussing temptation, sacrifice and Lent.

Computing Data logging - In this unit, pupils will consider how and why data is collected over time. Pupils will consider the senses that humans use to experience the environment and how computers can use special input devices called sensors to monitor the environment.

Other notices:
