

NURTURE-GROW-FLOURISH

Homework Menu – Spring 2

This half term, the whole school have got the same homework menu. Please look at the tasks below which have dates to complete the tasks by.

World Book Day – 7th March 2024

Your home learning task is to create a reading river. There is a sheet attached which details what this includes. Please can these be brought into school w/beginning 4th March; they will be shared in class on 7th March.

Science Week – 11th – 15th March 2024 (The theme is 'TIME')

Science Selfies:

We would like you to take a photograph and then, in a few sentences, explain how it is science!

It could be planting seeds, making slime, finding signs of Spring, looking at the effects of exercise on your body, baking... use your imagination!

Poster Competition (closing date 25th March):

Create a poster on A4 or A3 paper showing how a certain type of technology has changed over time, or even the advancement of time-telling technology itself. You might also go futuristic show us how you think the world might look in years to come, or perhaps look at nature – lifecycles, lifespans, evolution and hibernation – nature is full of timely topics. For examples of previous posters and for the key rules for the national competition can be found here:
<https://www.britishscienceweek.org/plan-your-activities/poster-competition/>

Whole school Science Fair.

For all of our budding Scientists who would like to take part in a School Science Fair. We invite you to get creative at home and bring your own science project into school – it would be great if it is TIME themed but it can be focussed on any area of Science. The Science Fair will be held on **Thursday 14th March at 3.30pm.**
