

NURTURE-GROW-FLOURISH

Learning Log Homework - Summer 1

Complete as many tasks as you can from the menu below.

When you complete any of these tasks please record them in your Learning Log or bring them into school to share with the class.

Geography - Italy

1. They say pizza originates from Naples, design your own pizza, make it and eat it! Record your recipe and photos in your Dojo portfolio. Oh, and don't forget to review whether it was delicious or a disaster!	2. Research everything Pompeii (or if you prefer Herculaneum) and create and old fashioned, but beautiful, double paged learning log entry, in your book, to show what you have learned.	3. Paint a landscape painting of a colourful cliff side town on the Amalfi coast. There's lots of examples to look at and many photos to be inspired by.
4. Learn how to speak a little Italian. Can you find out how to greet each other and say please and thank you? Record yourself and post your video in your Dojo portfolio.	5. Find out what it is like to go to school in Italy. Is it the same as in England?	6. What is the flag of Italy? Look at a map of Europe, what other flags can you draw and remember?
