

Stubbins Primary School Curriculum Planner

Autumn 2		Year 4	
English	In English, we are working on writing a fantasy story based on our text Leon and The Place Between.		
Maths	Maths continues this half term with addition and subtraction using 4 digit numbers and then moves on to multiplication and division. To support us with this, we will also be working hard on times table knowledge to increase knowledge of facts and recall speeds. We are also looking at area and what this means.		
Science	Our Science unit this half term is electricity. We will be looking at items that use electricity and understanding simple electrical circuits and switches as well as how to stay safe when using electricity.		
History	Our history learning is based on the Romans and how the Roman invasion changed Britain and affected how we live today.		
ART	Our art topic this half term is all focussed on painting and studying the work of Keith Haring.		
Computing	Our computing this half term is creating media – audio productions. In this unit, we will be looking at input and output devices that allow us to work with sound digitally. We will create our own podcasts, edit, save and evaluate their own work.		
PSHE	We will be considering how we can Value Differences this half term and creating a display in school to show our learning.		
PE	We continue with swimming this half term and we will also be having a professional cricketer in to do some cricket with us!		
RE	The children will look at the Hindu festival of Diwali and how this is celebrated. We will focus on the themes good versus evil and light versus dark to help us explore and understand.		
Music	Our music unit focuses on interesting time signatures and we will look at the song Mamma Mia by Abba to help us with this.		
French	In French, we continue to look at ways to travel and asking and answering questions based around this topic.		
Homework & Spellings	For homework, your child is expected to read their reading book regularly, practise their spellings and complete their weekly maths homework. This is due in on a Thursday. Spellings will be sent home on a Friday, these will not be stuck into the book to allow children to continue to learn these at home before they are tested the following Friday in school.		
	There will also be a whole school core value challenge you can complete if you want to. We would love to see photos/ videos on class dojo!		
	Thank you for your continued support.
