

Stubbins Newsletter 2nd October 2026

What another fantastic week in school!

It has been one of those weeks that really shows what our school community is all about, with children learning together, representing their school with pride and families joining us for some lovely events.

We began with a whole-school **Allergy Awareness assembly hosted by Picture News**, helping our children understand why allergies need to be taken seriously and how being thoughtful about the needs of others can help keep everyone safe. This links perfectly with our school values: caring for each other, showing respect and making sure everyone feels included and able to take part fully in school life.

It was fantastic to welcome so many parents to our **PGL preparation meeting** too. Thank you for coming along and helping us get ready for what promises to be a brilliant experience for the children. **If you missed the meeting, please speak to Mr Murtaugh to make sure you have all the information you need.**

We are also incredibly proud of our **Year 5 and 6 girls' football team**, who represented the school brilliantly on Wednesday. They may have just missed out on a place in the finals, but their teamwork, attitude and enthusiasm were a credit to the school. More importantly, they had a great time!

Our **Reception Party** on Wednesday evening was another highlight. It was lovely to see so many families there and, most of all, to see how happy and settled our youngest children are already.

Friendships are blossoming, confidence is growing and there were some pretty impressive moves on the dance floor too!

And next week shows no signs of slowing down! Year 6 begin their Bikeability sessions, we welcome Reception families for our phonics workshops, and our open events for families looking ahead to next year's Reception places are already getting underway.

Finally, **Friday is Hello Yellow Day**. We would love children to come to school **wearing something yellow** as we shine a light on mental health and reinforce an important message for every child: **how we feel matters, talking helps, and nobody should feel that they have to manage difficult feelings alone.**

We are asking families who are able to do so to send in a **£1 donation for YoungMinds**, supporting their work for children and young people's mental health.

Have a wonderful weekend, everyone!

Attendance this week

So far this year our attendance stands at 97.73%.

The week our attendance is 97.73%

Authorised attendance is 2.27%

Unauthorised attendance is 0%

Please be reminded that any leave of absence should be requested in advance. Holiday forms are available from the office. Where the school is advised that families are on holiday but have been reported as ill, we have been advised by the LA attendance team that a penalty notice should be sought.
