

Mrs Baron's Homework Challenge Year 1

<p>Make friends with a bug.</p> <p>There are all kinds of bugs hiding in secret places in your garden. What new friends can you find? Take some photos or draw some pictures.</p>	<p>Choose 10 numbers between 10-20 and order them from smallest to largest.</p> <p>Choose 5 numbers between 1-20 and represent them using pictures.</p> 	<p>Create a portrait of yourself. You could use paint, natural materials, felt, crayons or recycled materials.</p>
<p>Now that we've read The Colour Monster in class try and create your own feeling monster. It could be sad, happy, sleepy or calm etc...</p> 	<p>Draw a picture and write 2 or 3 sentences about what you did at the weekend.</p> 	<p>Read your favourite book and draw your favourite character from it. Remember to take care with your drawing.</p>
<p>Go on NUMBOTS for 15 minutes. Can you complete a new challenge?</p>	<p>Play your favourite game with your family. Remember it is always important to take turns, share fairly and not cheat!</p> 	<p>Get your heart racing by doing at least 10 minutes of exercise a day. You could try skipping, football, dancing or even walking up or down the stairs.</p>

Choose one activity each week. Please complete all writing tasks in pencil. You can take pictures and post them on Facebook as evidence, or bring in your yellow book on a Monday to be looked at. You could also email it to me a.baron@st-aidans-pri.lancs.sch.uk
