<p>Role on the Governing Body:</p> <p>Observer</p>	
<p>Committee's:</p> <p>Finance, Standards and Effectiveness, Curriculum and Ethos</p>	
<p>Professional experience/current job role:</p> <p>I am currently the Deputy Head Teacher at St. Aidan's CE Primary School. Previously I have taught in three schools, including having a TLR for leading LKS2.</p>	
<p>Please explain what your knowledge and experience bring to the role of Governor at St Aidan's:</p> <p>With 23 years of teaching experience, I bring a strong commitment to children's education and wellbeing. I have led several curriculum areas including English, PE, Modern Foreign Languages and History, as well as overseeing assessment across the school. I am passionate about sport, the outdoors and the environment, and I value the positive impact these areas have on children's development. My leadership style is supportive and collaborative, with a belief that the best outcomes come from working as a team and learning from one another. I would also bring a strong Faith perspective to the governing body, helping to support the school's values and community.</p>
