Puzzle Book

Steve Rafferty

Over 50
wordsearches,
including termly and
subject lists

Introduction

This book is full of wordsearches designed to help year 3 and 4 children learn the statutory spellings from the new national curriculum. There are 12 lists which could be used each term between year 3 and 4 and then towards the end we have grouped the words according to subjects. Each list has three wordsearches assigned to it so that the lists can be revisited throughout the year.

Suggested Uses

These wordsearches have been designed with the classroom in mind to help children learn the statutory word lists but they can be as equally useful to parents, after school and holiday clubs. Ideas of how they could be used include

- Spelling lessons
- Guided reading
- English lessons
- Cross curricular spelling
- Home work
- Holiday activities
- After school club activity
- Extension activities
- Parental support document
- Summer holiday activities
- Early morning activities
- Lesson starters

We hope you enjoy the wordsearches!
