

Multiples of 10, 100 and 1,000

4. Katie and Dan are discussing number facts that are related to the calculation below.

$$5,700 \times 10 = 57,000$$

Katie

A related number fact is
 $570 \times 100 = 57,000$

A related number fact is
 $57 \times 3 = 171$

Dan

Who is correct?

VC

5. Work out which numbers have been hidden by the splats. Use the calculation below to help you.

$$68 \times 100 = 6,800$$

 $0 \times$  $0 = 3,400$

VC
HMS/Gat

6. Use the digit cards below to make the statement below true.

$$2,300 \div 2 > 4,600 \div 100$$

$$\boxed{} \div 20 < 4,600 \div \boxed{}$$

2

0

3

1

You can use each digit card more than once.
