

Y2 Topic web of activities – Spring 1 2023. Please choose at least one activity to showcase to the class during the last week of half term.

The coastline is where land meets an ocean or sea. Print out a blank map of the United Kingdom, then complete the tasks listed.

- Colour and label the countries of the United Kingdom on the map.
- Draw around or highlight the United Kingdom's coastline on the map.
- Label the seas and the ocean that meet the United Kingdom's coastline.
- Label the names of a few coastal places on the map.

Coastline

Write a list of things that children and adults should do to stay safe at the coast. Examples include, taking notice of warning signs, and children being with an adult when near water.

Present in anyway you wish, what you have learned about human and physical features at the coast, erosion, how to stay safe at the coast and the RNLI.

The Royal National Lifeboat Institution, also called the RNLI, is a volunteer-run charity that carries out sea rescues and save lives. Find out about the types of boats that the RNLI use, where their stations are located, what happens at the stations, and what their volunteers do. Write interesting facts and draw pictures with captions to record your Findings.

Use a range of sources to find out about Grace Darling and Captain James Cook.
