

This half term's topic is '**Raging Rivers**'

These are the **home learning challenges** that link to the learning we will be doing in school. We would like you to complete all of the tasks over the course of the **half term**. Please upload your completed activities onto **Seesaw** or bring it into school as you complete it. It would be great to **share** with the rest of the class.

Weekly Essentials

Reading:
Please read at least 3 times a week

Spelling:
Spellings will be sent out on Monday and tested the following Friday.

Maths:
Use Sumdog and TT Rockstars each week to practise your Maths

The **knowledge organiser** and **class newsletter** has lots of information and facts for you to use and help you with your learning too.

<p align="center"><u>Art</u></p> <p>For our Art topic we will be looking at printing. Can you find objects at home to print with? You could try potatoes or other vegetables to cut shapes out of or try printing with leaves or tree bark.</p>	<p align="center"><u>Geography</u></p> <p>We are looking at Rivers. Can you choose one of the 6 longest rivers in the world (see knowledge organizer) and create a fact sheet all about it?</p>
<p align="center"><u>Rivers Vocabulary</u></p> <p>Make a wordsearch or a crossword using the names of the rivers and other vocabulary connected with rivers.</p>	<p align="center"><u>River Features</u></p> <p>Create a model or draw a labelled diagram of a river starting at the source and ending at the river's mouth.</p>
<p align="center"><u>The Water Cycle</u></p> <p>Can you think of a creative way to explain the Water Cycle? This could be a picture, a model, a PowerPoint presentation or even a video of yourself!</p>	<p align="center"><u>Photography</u></p> <p>Do you know any rivers near where you live? Do you go for walks by the side of a river? Can you take a photograph (you could use a phone or your iPad) of a river so we can make a display of beautiful river images?</p>
