Hackwood Primary Academy

Year 5 Topic Home Learning Challenges

This half term's topic is **'Voyage of Discovery'**

These are **the home learning challenges** that link to the learning we will be doing in school. We would like you to complete all of the tasks over the course of the **half term**. Please upload your completed activities onto **Seesaw** or bring it into school as you complete it. It would be great to **share** with the rest of the class.

Weekly Essentials

Reading: Please read at least 3 times a week	Spelling: Spellings will be sent out on Friday and tested the following Friday.	Maths: Use Sumdog and TT Rockstars each week to practise your Maths

The **knowledge organiser** and **class newsletter** has lots of information and facts for you to use and help you with your learning too.

DT	**History**
For our DT topic we are looking at making food from different parts of the world. Can you find a recipe from somewhere you have visited, or would like to visit, and perhaps have a go at making it?	We are looking at explorers and as part of this look at Space Exploration. Can you write a fact file of someone who has been to space or even someone who has walked on the moon?
Exploration Vocabulary	**Explorer's Toolkit**
Make a wordsearch or a crossword using the words on the knowledge organiser. Could you include the names of some famous explorers?	We will be thinking about what an explorer may need to, or want to, take on their journey with them. Can you create a 'toolkit' for them to take? This could be a list of things that they would take or you could do it as pictures.
The North Pole	**Spanish Family**
Our book for this half term is 'Race to the Frozen North'. Can you use your iPad to find a picture or pictures of the North Pole and write a descriptive paragraph, thinking about what you would see, hear and feel?	In our Spanish lessons we will be learning how to talk about our families in Spanish. Can you investigate the Spanish words for different members of your family? e.g. Madre = Mother

We *believe* in *ourselves*, to *achieve* our *goals* and *succeed*!
