

## Homework

Homework will be given out on the first Friday of the half-term, which will consist of at least 6 different learning activities. Children will be expected to complete these activities over the half-term and record them via the I pads or a homework book. Children should bring in their completed homework every week.

## Knowledge Organisers

At Hackwood Primary Academy we have Knowledge Organisers (KOs) in class and as homework, to help children learn the essential knowledge they need for each topic they study. A Knowledge Organiser sets out in detail what we want children to know by heart by the end of the topic. We expect the majority of children to be able to recall all of the information on the KO by the end of the topic.

## Reading

Your child will have a home school reading book, which will need to be taken home and returned to school every day. Your child should read at home every day and an adult will need to sign to show that your child has read to an adult. Reading diaries will be checked every week.

## PE Kits

Your child will need correct PE kit. As the weather gets colder, we will allow children to wear dark jogging bottoms. We will be doing PE every week on Tuesday and Thursday.

*Please ensure your child is wearing the correct school uniform everyday. Make sure that all clothing is clearly labelled.*

## Websites to help

BBC Bitesize - Bug Club - Times Tables Rock Stars – Spelling Shed

We *believe* in ourselves to *achieve* our goals and *succeed*

## Year 3 Parents Information Booklet Summer Term 1 2024

At Hackwood Primary Academy, we believe that learning is a two-way partnership, involving school and home. We hope this leaflet will answer some of your questions as your child learns in Year X and gives you some ideas of ways to help at home!

Inside this booklet you will see what your child is studying this half term. Please take time to read through and discuss this with your child.

Should you require any further information about the curriculum or any other queries please ask to speak to a member of staff.

## Teaching and Learning Staff

Class: Owls (Year 3)

Teachers: Mrs Savage

Teaching Assistants: Mrs Crawford

## Science

In Science we are learning all about the human skeleton. We will learn about the different bones and also how muscles enable us to move.

## History

We will be exploring what life was like for the Ancient Egypt and what we have learnt from them. We will explore how they lived and comparing that to today.

## Geography

We will be revisiting what we have learnt and linking this with our current learning.

## Shared Reading

We will be reading Egyptian Cinderella as part of our reading skills lessons and linking with our topic.

Also, the children will read a range of texts linked with our topic in our reading skills lessons.

On a Monday and Friday we will continue to be Reading Buddies with the children in nursery.

## Enrichment

The children will take part in a street party for the coronation.

## Outcome

Understand how to be **respectful**, show **perseverance** and take **pride** in everything we do. Improve our reading, writing and mathematical skills.

## Maths

In maths we will be concluding our learning on volume and capacity and how to measure in millilitres and litres.

Next we will move on to adding and subtracting fractions. We will also be finding fractions of a set of objects.

Finally we will move on to learn about money. The children will learn to add and subtract money as well as finding change.

## Writing Opportunities

We will write:

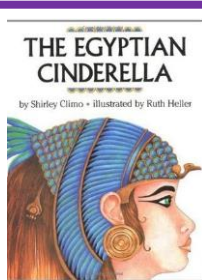

Instructions for mummification

Biography of an Egyptian God.

## Key Texts

Egyptian Cinderella  
By Shirley Climo

# Year 3

## Summer 1

Key Question/Topic: Walk Like An Egyptian

## PSHE

In PSHE we are focusing on similarities and differences and our families.

## Harmony Pledge.

Be an eco-warrior  
Be workwise

## Music

In music we will be explore songs and music to learn about the human body.

## Computing

In computing we will continue with how to Code using Purple Mash.

## Art/DT

In art we will be creating canonic jars from clay and using sewing to create an Egyptian landscape.

## PE

In PE we will learning tennis with Soccer Stars and on Thursdays we will be learning different yoga moves and flows.

## Languages

We will be learning the names of shapes in Spanish.

## RE

We will be focussing on the key question: What do people believe about God?
