

This half term's topic is '**Me and my world**'

These are **the home learning challenges** that link to the learning we will be doing in school. We would like you to complete as many of the tasks over the **half term** as possible. Please upload your completed activities onto **Seesaw** or bring it into school as you complete it. It would be great to **share** with the rest of the class.

Weekly Essentials

Reading:

Read for 10-20 minutes everyday. This can be your reading book, a book from home or your library book

Spelling:

Practise writing simple sentences using capital letters, finger spaces and full stops.
When you receive your first spellings, it is important that you practise these in readiness for the weekly spelling test.

Maths:

Practise counting to 30 and writing your numbers to 30.

The **knowledge organiser** and **class newsletter** has lots of information and facts for you to use and help you with your learning too.

Science:

This term we are learning about our body parts. Draw a picture of yourself and label the body parts.

Geography:

Can you use your sketching skills to make a detailed sketch of your home? Remember to redraft your sketch too!

Writing:

What information can you find out about Hackwood Primary Academy? Can you write a small factfile about Hackwood Primary Academy? What would you have done differently if you were on the building team?

Art:

We will be creating and evaluating our own self-portraits this half term. Use a mirror to help you draw your face and then paint your drawing using paint. Can you mix the paints to create the colour of your skin tone?

PE:

Join in with a Joe Wicks workout on Youtube!

About you:

Can you create a wonderful drawing of your favourite toy?

We **believe** in ourselves, to **achieve** our goals and **succeed**!
