

'Me and my World'

Knowledge Organiser - Autumn 1

Key Vocabulary

Local area	The area around where you live.
National	Within the same country (England).
Derby	The City where we live
Map	A drawing of an area shown from above
Key	Information that describes what the information in a map mean
Fieldwork	Working outside to collect information
Physical feature	A feature that has been formed by nature (formed naturally).
Human feature	A feature that has been made or changes by humans (it wouldn't be there if a person didn't do something to it).
Aerial view (Bird's eye view)	What a place would like from above, looking down

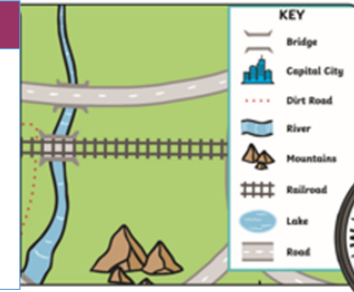

EXPERT LEARNERS:
We will go on a local area walk to explore the different homes in our local area.

Maps

- A view from above a place
- Sometimes have a key with symbols
- Show the distance between places
- Sometimes have a compass

Symbols show what different things or places can be found in an area.

Compass

A compass can be used to help you find your way. It shows four directions— north, east, south and west.

Crucial Curriculum Content

- To use geographical vocabulary to describe what the local area and my school grounds are like
- To create a map of school
- To know what an aerial image is and label the geographical features on it

Science: 'Me and my body' Knowledge Organiser

Key Vocabulary

sight	Your eyes let you see all the things around you.
hearing	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.
touch	Your skin gives you the sense of touch. You can tell if something is warm, cold, smooth or rough without even looking at it!
taste	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.
smell	You smell using your nose. Your nose can tell if things smell nice or not nice.
