**Hackwood Primary Academy**

**Nursery Topic Home Learning Challenges**

This half term's topic is **'Food and Celebrations'**

These are **the home learning challenges** that link to the learning we will be doing in school. We would like you to complete as many of the tasks over the **half term** as possible. Please upload your completed activities onto **Seesaw** or bring it into school as you complete it. It would be great to **share** with the rest of the class.

## Weekly Essentials

### Reading:
Enjoy story time with your grown up for 10 minutes everyday. This can be reading a story at bedtime or making up your own with teddies.

### Physical Activity:
Take part in some physical activity every day. If it's a rainy day BBC iplayer have lots of movement shows to follow.

### Maths:
Practise counting to 10 and beyond each day. What number is your house, how many grapes would you like?

The **knowledge organiser** and **class newsletter** has lots of information and facts for you to use and help you with your learning too.

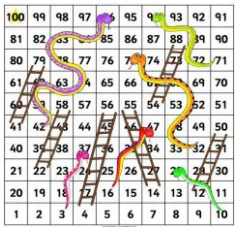

### Personal, social and emotional

Practice washing your hands with your grown-ups.

Talk about why it is important to wash your hands and when we should wash our hands e.g. before lunch, after going to the toilet etc.

### Mathematics

Play lots of games together at home that involve using a die and moving along spaces.
Do you know what number your die has landed on without counting the dots?

Games are also a good opportunity to support turn taking.

### Understanding the World

Go on a trip to the supermarket with your grown-up.

As you go around the supermarket think about where the food comes from. Does it grow on a tree? Does it grow in the ground?

### Expressive arts and design

Can you make a vegetable printing picture?

What shapes do the vegetables make?

Get creative and use lots of different colours.

### Physical Development (Managing own needs)

Help your grown up at mealtimes.

Can you serve your own breakfast or set the table for dinner.

### Literacy/Communication and Language

Read your favourite story with your grown-ups.

Talk about why you enjoy this story.

We ***believe*** in *ourselves*, to ***achieve*** our *goals* and ***succeed***!
