

Going on residential is fun. I will get to spend time with my friends and try new and exciting activities.

I am going on a residential to Colomendy!

Residentials are school trips where I stay overnight with friends and teachers. Residentials are great fun.

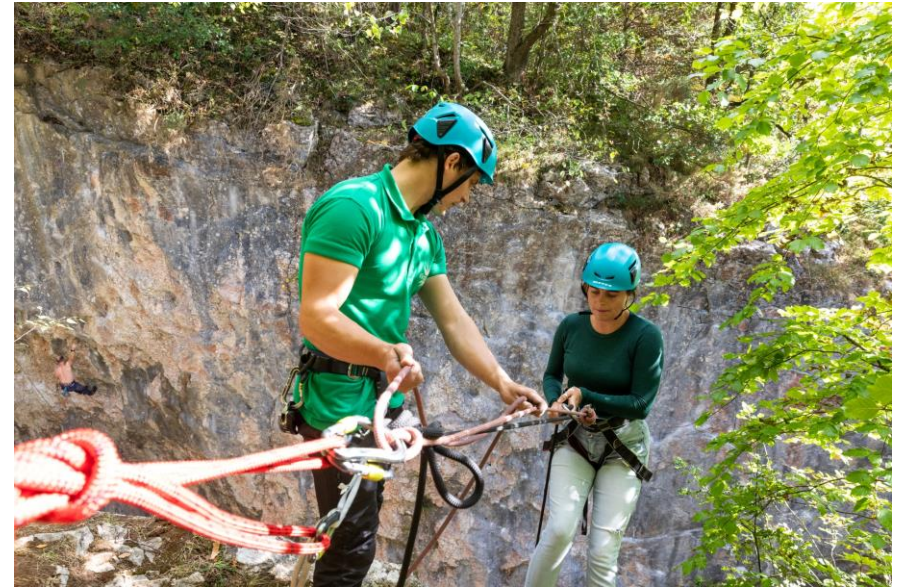

Before I go on my residential, my family will help pack my suitcase with things I need to take. When I say goodbye, I may feel sad. It is okay to feel sad. My teachers and friends will help me feel better.

On a residential, I can share a bedroom with one or more of my friends. I get to sleep in bunk beds!
