

# Lower Key Stage 2 SUMMER 2023

Optional menu: All these activities are linked to the topics we are covering this term. To satisfy your appetite for more homework, take your pick from our menu!

## LIGHT BITES

### History – Ancient Egyptians

The Ancient Egyptians spent some of their free time playing games. Find out about some of the games that they played.

<https://www.bbc.co.uk/bitesize/topics/zg87x>

[nb/articles/z4wdnrd/](https://www.bbc.co.uk/bitesize/topics/zg87x/nb/articles/z4wdnrd/)

Try to make your own version of an Ancient Egyptian game or create completely new one.

### Specials

The Ancient Egyptians made paper called papyrus out of the papyrus plant. Try making some papyrus paper yourself and decorating it with hieroglyphics or an Ancient Egyptian god.

There is a how to here:

Don't be a  
CHICKEN

BURGER  
LOVERS

## HOMESCHOOL Menu

## MAINS

### Creative coders

This term we are learning how to create sets of instructions, called algorithms, using coding language. You can use the **free code** section of Chimp level on Purplemash to create your own programmes.

See if you can change the background and characters. Create a fun sequence, a conversation between your characters or a story linked to class learning.

## SIDES

### Science – human body

Make a model/picture and a fact-file about the human skeleton. Alternatively, make a model of the digestive system. You can use recycled materials, cloth, clay, plastercine, paper, sticks or whatever you wish!

© copyright Maze Media 2000

## DESSERTS

### Science – nutrition

Make a model of a healthy meal or healthy food, like this bowl of fruit.

Try to use recycled items to make the food –

bottle top sprouts, cardboard pasta etc.

## EXTRAS

### Geography – Water Cycle

We have been learning about how water droplets move around during the water cycle. Find the water droplet postcard on Purplemash to send a note home from a droplet who has travelled through all the stages of the cycle,
