ATTENDANCE

School starts at 8:45am and ends at 3:20pm.

The importance of attendance in school

- *The Government regard 95% as the minimum satisfactory attendance for a primary school pupil.*
- *95% attendance is the equivalent of 2 weeks off school.*
- *A 2 week absence each year in primary school means a total of 14 weeks teaching time missed – this could have real impact on your child's basic numeracy and literacy skills.*
- *90% attendance is like having a day off every two weeks or 4 whole weeks off school*
- *80% attendance is the same as having a day off every week.*
- *Most children should routinely have attendance rates of 97% or more. This is the equivalent of 6 days absence a year. 100% is achieved by many pupils every year in both primary and secondary schools.*
- *Holidays in term time – These will not be approved by Mrs Forrester and fines may be issued for unauthorised holidays taken in term time.*
