

Lower Key Stage 2 Autumn 2026

Optional menu: All these activities are linked to the topics we are covering this term. To satisfy your appetite for more homework, take your pick from our menu!

LIGHT BITES

Rainforests

These vital and beautiful environments are teeming with life and are Earth's oldest living ecosystem.

Option 1:

Design a poster or leaflet encouraging people to protect our rainforests from destruction.

Option 2:

Research a creature found in the rainforests, and film yourself describing them in the style of Sir David Attenborough.

Specials

Create a guide for a younger pupil helping them to use the internet safely and responsibly.

Don't be a
CHICKEN

BURGER LOVERS

HOMESWORK Menu

MAINS

Option 1: Excellent electricity.

Complete a survey of how many times you use electricity in one day. Think about how your meals are cooked, how you travel to school as well as things you switch on and off. Is it more than you thought?

Option 2: Maya Civilisation

Learn about this fascinating civilisation — its architecture, artwork, knowledge of maths and the stars and their stories. Present your research in your chosen way.

Design a leaflet or poster encouraging people to visit Central America.

SIDES

Myths and legends

We'll be reading folk tales and legends about animals. Can you write your own story featuring your favourite animal?

DESSERTS

Not an insect!

Do some research about different species of spider. Find out how many legs they have. Look at their features: eyes, fangs, hair, colour and the markings on their skin.. Create a piece of art to show us.

EXTRAS

Create your own branching database. It could be for living things or your favourite sweets! You can use 2Sort in Purplemash to create it.
