

Curriculum Statement

Implementation

We want our curriculum to:

Demonstrate **BRAVERY** – we want our teachers to be ambitious when planning our curriculum with high expectations of all learners. We want our learners to be brave, willing to take risks and get things wrong, and show resilience alongside a strong desire to learn

Be **OUTWARD-FACING** – our curriculum will look beyond our school to our local community and will encourage children to see themselves as part of the wider national and global community. They will learn from other countries, faiths and cultures and we will celebrate differences while recognising that all life on Earth is precious. Our children will understand they have the power to affect change through courageous advocacy and both ask and answer Big Questions

Create memorable **OPPORTUNITIES** – we want our children's time at Tarporley to be filled with happy memories that spark their curiosity, motivate them to reach their full potential, ensure learning is 'sticky' and instil in them a life-long love of learning. Our curriculum will recognise the importance of cultural capital in preparing our children for life and learning beyond our school

Provide **KNOWLEDGE and SKILLS** – we recognise that knowledge is key. Our curriculum will ensure children can achieve, make sense of the world and make informed judgements and decisions. Vocabulary development will be at the heart of this. Our children will leave us with the skills they need to thrive in the next stage of their learning

Nurture **SPIRITUALITY** – led by our Christian Values, staff will nurture the whole child by developing their social, moral, cultural and spiritual well-being

... while always having **quality books and reading** at the  of our teaching and learning!
