

PE at Buglawton

How we approach PE at Buglawton

PE is taught for 2 hours per week, with a focus sport intended to last one half term (Swimming is an exception for Year 4 as it runs all year). Daily Mile is now also integrated for a 10 minute boost every afternoon in addition to a wealth of extracurricular clubs which change termly. We use a scheme (Complete PE) which should be adapted for the needs of individual classes and cohorts. The subject coordinator has refined the use of the scheme to 12 units per year group per year with each year group taking part in at least one unit of the following:

- Invasion Games
- Gymnastics
- Dance
- Net/Wall Games
- Striking & Fielding Games
- Athletics

The **long-term planning** of PE can be found here:

Knowledge Organisers

Each unit contains a knowledge organiser which should be shared with the class regularly throughout the unit.

In PE, **vocabulary** is taught...

- At the beginning of each unit.
- Throughout the unit as new skills and tactics are used.

Marking & Assessment

In PE pupils' skills are observed within drills, mini games and competitions

Self assessment

Peer critique and evaluation

Adult observations

Teachers assess pupils' knowledge, skills and understanding by observing against the assessment criteria for each unit. Each pupil will then receive a summative grade after each unit.
