

## Welcome to Year 4

We are delighted to welcome your child to Year 4!

The Year 4 team is Ms Hester, Miss McKay, Miss Fox and Mr Powell.

Below is some information you will find helpful with getting to know our routines and timetable.

If you have any questions, please do not hesitate to ask any of us and we will be happy to help.

Children can bring a healthy snack into school for break time.

Our PE days this half term are Thursday and Friday. Children should come to school wearing their school PE kit (royal blue shorts and yellow T shirt) on these days. Please do not send children in wearing sportswear.

Your child will bring home one piece of Maths homework every Friday. It might be a worksheet, a game or something we ask you to practice with them. Please return by the following Wednesday.

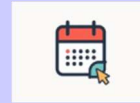

Your child will bring home a reading for pleasure book every Friday. Please send this into school every day with them. Books will not be needed to be changed each Friday but we will still need to see the book the children are reading and the reading record of what they have read. **Please read for 10 minutes at least 4 times per week with your child.**

In June, year 4 children complete a Multiplication Tables Check online in school. Children need to know all times tables up to and including  $12 \times 12$ . This is timed, so children need to be speedy when recalling these facts.

We will be working hard on this in school and your support in practicing at home and completing extra homework we may send would be much appreciated.

**Dates for your diary:**

June- Multiplication check
