Dear Parents / Carers,

LFC Anti Bullying Assembly

Years 5 and 6 had a visit from LFC today, who worked with the children on anti-bullying as part of anti-bullying week. Mighty Red joined the assembly too, which the children loved! As always, the children showed great understanding and behaved beautifully.

Mersey Fire and Road Safety Assemblies

Merseyside Fire Brigade joined us today and worked with Year 1 to Year 6 on fire and road safety. The children were able to answer lots of questions and listened really carefully.

Trim Trail

Mrs Ferguson and the PTA began the process of getting quotes for our trim trail this week. The first meeting with a company went well, and there is a second meeting arranged for next week. We are delighted that this project is underway, and we will keep you updated with developments.

Year 1 Family Learning Art and Craft Session

This event will take place from 9.00am-10.00am on Thursday 20th November. Letters have been sent home, and **slips expressing interest in attending must be returned by 9am on Tuesday 18th November**. These sessions are not delivered by school, they are offered by Knowsley Council. There are limited places available, so if we get a lot of interest places will be allocated by drawing names from a hat. Thank you for your understanding with this. We understand that these sessions are popular and when planning further family learning sessions we will liaise with the provider to extend numbers if this is at all possible.

Home Reading Books

One of our priorities in school is to make every child a reader. We regard reading as one of the most important skills we can give our children. Part of this journey is for children to read at home with an adult for 10 minutes 3 times per week or more. As a school we have invested a huge amount of money in providing high quality books for our children to bring home and share with families. Unfortunately, we are sending books home, and many books are not being returned. This is not sustainable, and we are going to run out of books if this continues.

Please look for any home reading books you have at home and return them asap. If you are given a letter explaining that your child's book has not been returned and there is a charge of £5, then please pay this. We can then replace the book.
