6th March 2026

Dear Parents / Carers,

It's been another busy week here in school. Here are some highlights!

Cells Project

The Cells Project is a Merseyside organisation that works on crime prevention through education. Our Year 6 children spent the day working with the Cells Project on Monday. As always the children's response was thoughtful and mature and their feedback was really positive.

The Great SMAAA Book Swap

On Wednesday we held a book swap in school, in preparation for World Book Day. The children had a great time choosing new books to take home. Thank you to our families for taking part.

World Book Day

Thursday was World Book Day and what a great day we had! We saw lots of fabulous character costumes from children and staff, and lots of very cosy looking children in their pyjamas. There were lots of fabulous activities going on throughout the day but by far everyone's favourite was Book Buddies, where an infant class and a junior class paired up to read. A huge thank you to our families for all of your effort with costumes, as always the children looked superb.

Family Learning

Year 3 enjoyed a family learning session this week, which was well attended. Everyone that came seemed to enjoy the activities.

Cosmetic Items

Items such as lip gloss, lip balm and perfume should not be brought to school. To keep everybody safe, can we please ask that no such items are brought into school and are left at home.

Breakfast Club Parking

Parents should not park in a way that partially or fully blocks the school gate during drop off at breakfast club. Parking in this way presents danger to our pupils and families. It causes a backlog of traffic on Sidney Powell Avenue, as staff are queueing to enter the premises. Please park responsibly and remember that the church car park is open for parking. It is a

very short walk from church to school, so please do consider using this facility in the interests of safety.

Mother's Day Event – Mum and Me

Our PTA have arranged some events to celebrate Mother's Day. We are holding a celebration of all the mums and female figures in our lives next week on Friday 13th March. They will be serving tea and toast or tea and cake along with some entertainment from our Year 6 Choir and a special surprise guest. A flyer with details of this event are attached to this email.

We look forward to seeing you all on Monday, have a lovely weekend!
