

Mayfield Primary School

2. Charging and Remissions

Date: September 2025

Next Review: Autumn / FGB 2026

Our Vision. Our intention. Always start with why!

Valuing

Every Achievement

Social - Academic - Moral - Personal

We know that intention can be easy words that look and sound effective. Our true intention is one that is enabled and implemented by the actions we take to show that we mean what we say. Mayfield is committed to building a school that is viewed from the children's eyes. We ask ourselves: How will they approach this? What do they already know? What skills will they bring? Which groups require input? How do we need to teach this? What will engage them? How long do they need? What do they need us to teach them now?

So....

we know our children must be the busiest people in any room. Children must have 'active purpose' and we must erase 'learned helplessness'. Our children's starting points are a vital consideration. We must keep teaching groups as small and precise as possible. Their independence and resilience is imperative. Their strong attendance and punctuality is paramount. We want **everyone** to embrace mistakes and never be afraid to learn from them. We will draft, repeat, refine and polish to achieve lasting progress. Learning is not a rapid, one stop shop. We will talk, listen, perform and present to foster confidence. We must rapidly build vocabulary. Marking **must** have a clear purpose, a response and be as 'live' as possible. We are constantly developing a curriculum that meets our children's needs and it must utilise and embrace our unique location. Classroom layout and design is essential. A unique environment must be generated. We must provide a flexible and responsive timetable and lesson structure. Our teachers must adopt and explore many teaching styles. Social times are a chance for new ideas and to be viewed as a new opportunity and we must be insistent and consistent to foster positive behaviours. We are not afraid to change. We will dare to do and learn. We will challenge established thinking.

We will use common sense. We accept the fallibility of being human. We are not perfect.

We are proud to accept and respect everyone.

Enabling

Every Achievement

Genuine. Honest. Passionate. Take our hand. Change the landscape.

*** Mayfield Primary School is committed to valuing diversity and to equality of opportunity. We aim to create and promote an environment in which pupils, parents/carers and staff are treated fairly and with respect, and feel able to contribute to the best of their abilities. We recognise that it is unlawful to take into account anyone's gender, marital status, colour, race, nationality, ethnic or national origin, disability, religious beliefs, age or sexual orientation. ***

CHARGING AND REMISSIONS POLICY

At Mayfield we will not charge for:

- an admission application to any maintained school;
- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- tuition for pupils learning to play musical instruments if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school.

Optional Extras

Charges may be made for some activities that are known as “optional extras”. Where an optional extra is being provided, a charge **can** be made for providing materials, books, instruments, or equipment. **Optional extras are:**

- education provided outside of school time that is not:
 - a) part of the National Curriculum;
 - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school; or
 - c) part of religious education.
- examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school;
- transport that is not required to take the pupil to school or to other premises where the local authority/governing body have arranged for the pupil to be provided with education; and
- board and lodging for a pupil on a residential visit.

In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. It must not therefore include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

Furthermore in cases where a small proportion of the activity takes place during school hours the charge will not include the cost of alternative provision for those pupils who do not wish to participate. Therefore no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

Voluntary Contributions

The school governing body or local authority is able to ask for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, the governing body or head teacher will make this clear to parents at the outset. The governing body or head teacher **must** also make it clear to parents that there is no obligation to make any contribution.

It is important to note that no child will be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, then it will be cancelled. If a parent is unwilling or unable to pay, their child will still be given an equal chance to go on the visit.

When making requests for voluntary contributions to the school funds, parents will not be made to feel pressurised into paying as it is voluntary and **not compulsory**.

Residential Visits

We will not charge for:

- education provided on any visit that takes place during school hours;
- education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education; and
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

We will charge for:

- board and lodging and the charge will not exceed the actual cost.

When we inform parents about a forthcoming visit, we will make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Universal Credit and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16000 (Financial Year 2023/24);
- the guarantee element of State Pension Credit; and
- an income related employment and support allowance that was introduced on 27 October 2008.

Transport

We will not charge for:

- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school; and
- transport provided in connection with an educational visit (this will be a request for a voluntary contribution)

Lost/damaged school property

We will ask for payment of £3 for any library or reading books lost or damaged beyond repair to enable school to replace them.
