MAYFIELD PRIMARY SCHOOL ISSUE 21 FRIDAY 6TH MARCH 2026

PLEASE DO NOT PARK, PULL UP, DRIVE OVER OR REVERSE ACROSS THE YELLOW ZIG ZAG ZONE BETWEEN 8.00AM AND 6.00PM. WE HAVE JUST HAD A COUPLE OF INSTANCES THIS WEEK. THE OVERWHELMING MAJORITY OF CAR USERS ARE FABULOUS BUT JUST ONE OR TWO ARE NOT FOLLOWING THE SYSTEM PUT THERE FOR THE CHILDREN'S SAFE JOURNEY TO SCHOOL.

STOP PRESS: EASTER HOLIDAY CLUB OFFER HAS BEEN SENT OUT TO YOU TODAY ELECTRONICALLY AND ON OUR FACEBOOK PAGE. TAKE A LOOK.

MAYFIELD TOGETHER FORUM

As announced in recent editions and through our various messages, our latest forum and fund raising meeting was held as a Coffee Morning on Tuesday at 9.00am. Our Working Group of governors and myself were in attendance and discussed a range of areas and the potential for easy ways to offer fun opportunities to add to school funds.

We discussed uniform questions such as jumpers/cardigans and dresses that were asked individually at the recent stakeholder reviews. Although there was just one thought raised at the review, we promised to discuss things and gather more thoughts with September in mind and we did this with the families in attendance. We also talked about electronic communication and gathered some thoughts on this as we plan forward and how this can develop or alter.

Remember the forum is a chance to hear from school leaders in person, you can offer your thoughts directly and raise aspects as needed. If possible, we urge you to come along to these events as it offers an ideal chance to meet informally, in person and offer views.

Thank you to those who joined us, shared their views on questions raised and offered their time and support moving forward. The attendance was low despite indications of higher engagement but people are busy and can only do what is possible so we understand. The only challenge this brings is the limited capacity we have to offer a range of fun, fund raising opportunities with a small pool of people but we will do as much as we can. The group are now working on a plan to summer and we will broadcast this once confirmed. Anyone wanting to be added to the working fund raising group just needs to see me and will ask for you to be added to the communication thread around this.

BOOK WEEK - BOOK FAIR

As I write, Book Week activities are still ongoing with the CAFÉ AT THE EDGE OF WOODS taking place in its various forms across school. Our BOOK FAIR has raised over £700 and means we now have extensive commission that we can use on our RACE ACROSS THE WORLD LIBRARY. Thank you to Mrs Czarnecka and the entire staff team for managing our fair over the last week and of course to everyone who supported the event. Books are freely available to buy in many shops as we know, but by supporting a book fair funds are coming back into our school directly to support our offer to our children. Thank you. Our writing information session this morning had very low take up, so I will be rearranging the opportunity for Summer Term and will place within a larger school visit event. Stay tuned. Next edition will see a full report on the BOOK WEEK activities.
