MAYFIELD PRIMARY SCHOOL ISSUE 23 FRIDAY 13TH MARCH 2026

## ENRICHMENT CLUBS CREATING FABULOUS OUTCOMES

### A DUAL STORY OF SUCCESS

Our wider curriculum offer has become a significant undertaking in recent years, but with the goal of creating further opportunities for achievement beyond the core curriculum. We have received news of two amazing success stories that we would like share that has come directly from this enrichment offer.

Our Speaking & Listening through Drama has been a priority for Mayfield for the last seven years and this has continued through the latest LAMDA exams completed by 10 of our children in recent weeks. We have received their results in the last few days and these have been shared with them. Each of them passed and all of them achieved either merit or distinction outcomes. This is absolutely brilliant. It reflects their hard work, commitment and resilience to rise to the challenges set for each of them and is great credit to our LAMDA/Drama teacher Kylie Butler. We are incredibly proud of each of them.

Our Art & Design enrichment work continues to be a source of pride, led by Mrs McFarlane. The children's work has been focused upon the Young Seaside initiative and we would like to share the following:

**'We are incredibly proud to share that several pieces of artwork have been selected for the Young Seaside Arts and Crafts Exhibition. The chosen work, selected by Mrs McFarlane, the Art Leader, represents a wonderful range of creativity from across the school, including curriculum-based art projects as well as pieces created by pupils in our KS2 Art Club. The standard of work submitted was exceptional, and we are delighted that our pupils' talent and hard work have been recognised. A special thank you to Miss Lucius, who kindly worked so hard to beautifully display our artwork ready for the exhibition. Details of how you can visit the exhibition can be found on the poster.'**

Great credit to every child and our wonderful Art curriculum leader. This is all extra work that goes above and beyond the core offer. School is delighted by this recognition. **If you have the chance, go and visit the exhibition as detailed on the poster.**
