

# The Headlines

MAYFIELD PRIMARY SCHOOL ISSUE 26 FRIDAY 27TH MARCH 2026

I want to start the final Headlines before the Easter break by thanking every member of our school community who contributed to our inspection this week. We will know final outcomes in the weeks ahead, but I want to place on record my appreciation to all our children, staff and families. The dedication, heartfelt desire, messages of support and inherent kindness has shone brightest in this time of inspection and I am hugely thankful for leading a school that has such heart and is filled and surrounded by wonderful human beings. When the final outcomes and report are ready to release we will do so. We will be informed by Ofsted once this is the case.

## TABLE TENNIS ARRIVES FOR OUR LATEST PLAY ZONE

Our latest lunchtime zone came into effect in the last few days. We now have a table tennis offer available each day after the purchase of two outdoor tables, additional resources and the full renovation of the dedicated outdoor space. This has been possible due to previous Mayfield Together fund raising work and this has been in the pipeline for some time since our children talked about a new zone similar to the popular tennis area. Mayfield Together's first goal when the group was formed was to raise funds for whole school projects that could offer benefit to as many children as possible each day. The lunchtime play zones were identified as an area to focus upon and fund raising has seen us now introduce four new zones in recent years as a result of fund raising. This alongside our library fund raising remain key target areas for the group. Thank you to everyone who contributes to our fund raising efforts. As a result, we now have another new play zone open to our children each day.

## END OF TERM IS UPON US

So we reach the end of another busy term. It has been a term where we have been aiming to embed the new developments and enhancements from Autumn rather than look to further additions. Our launch of the extended sporting offer with the mini league age group expansion and the arrival of our MAYFIELD LIONESSES being

the exciting exception. A particular highlight in school this term has been our BOOK WEEK activities. We loved the READING GANG IN STORYLAND most of all. Fun learning and revision at its best. Don't forget the EASTER HOLIDAY CLUB should this be something you want to consider but haven't reserved a place yet. Contact details on the flyer. We will now combine a bit of rest with lots of preparation for summer **before we meet again on Monday 13th April.**

Take care until then.
